

OF COURSE I support media diversity

Corruption Corruption Corruption. Corruption is a bad thing. Deregulating the media can only lead to corruption. For example this whole issue is not being relayed in the newspapers, or on TV. That's corruption.

Do not take away our Freedom of Speech. The larger the ownership of media businesses gets the harder it is for the little peoples voices to be heard. And most of us in this country are the little people. DO NOT SILENCE US.

sincerely,
